

RESTAURANT

BOTANIC

*We at Restaurant Botanic acknowledge the Kurna people,
the traditional custodians of this land in which we have gathered.
We pay respect to the Elders of the past, present and emerging.*

The beverage program is designed to reflect and enhance the seasonal menu by celebrating diversity and inclusion in terms of style, provenance, variety and the people behind the label. Our list showcases iconic wines balanced with up and coming producers using both conventional and experimental methods to create unique expressions of regional and varietal typicity.

While our focus is on South Australian wines, we also highlight the diversity of domestic wine regions and provide a global context to Australia's winemaking tradition. We believe in excellence and favour those with regenerative land principles, sustainability and wines that have a story to share.

The Crème de la Crème

800

A carefully curated pairing from our vast wine cellar, with a focus on the finest and rarest wines from the most iconic producers. Think bucket list wines, the likes of Dom Pérignon, Chateau d'Yquem, Grange, Hill of Grace, Grand Cru Burgundy, classified Bordeaux and matured Barolo.

The Sommelier's Reserve

330

A liquid storytelling of wines that have shaped our love for the world of wine. Expect benchmark expressions of varietal and regional typicity balanced with classic producers, experimental winemakers, and obscure grapes. Some of these wines are extremely rare, others are exclusive to our restaurant and come directly from the winemakers' cellars.

The Botanic

175

A diverse selection of alcoholic beverages. Think wines from around the globe, vermouth, sake, cider, beer or maybe a cocktail inspired by the garden around us.

The Temperance

125

A non-alcoholic beverage selection of juices, infusions, ferments, kombuchas and mock-tails crafted by our team. Expect complex and adventurous flavours and combinations of savoury, salty, sweet, sour and bitter.
