# BOTANIC

*We at Restaurant Botanic acknowledge the Kaurna people,  
the traditional custodians of this land in which we have gathered.  
We pay respect to the Elders of the past, present and emerging.*

The beverage program is designed to reflect and enhance the seasonal menu by celebrating diversity and inclusion in terms of style, provenance, variety and the people behind the label. Our list showcases iconic wines balanced with up and coming producers using both conventional and experimental methods to create unique expressions of regional and varietal typicity.
